1010 CANOPY

The 10'x 10' Canopy has a small footprint, making it the perfect choice for small venues like booth coverage or ticket stations. It also creates a nice shaded area for your outdoor family gatherings.

1015 CANOPY

The 10'x 15' Canopy is a great choice for outdoor venues and family outings. The 1015 can be used to cover a serving table or buffet line. With the added option of curtains, this canopy makes a great tent with room to sleep 5 to 6 people.

1020 CANOPY

With twice the space of our 1010 Canopy, the rectangular footprint of the 10' x 20' is a unique structure with the potential of creating a perfect environment for weekend merchandising or entertaining.

1212 CANOPY

The 12' x 12' Canopy offers a very spacious, 144 sq. ft. area. The unit performs well as a concession booth or aid station at community functions. You may also want to consider using the 1212 for private gatherings and family events.

1616 CANOPY

There is no better way to cover a reception or small gathering than with the 16' x 16' Canopy. This canopy can be used for overflow seating from the banquet hall or as a protected area for guests at your outdoor gathering.

2020 CANOPY

The 20' x 20' Canopy makes a wonderful hospitality booth and an impressive statement, standing 13' tall. This unit has been a favorite at music festivals and sporting events.

STRENGTH, QUALITY STYLE &

30' HEXAPAE

The 30' Hexapae provides a stunning venue for upscale events. With its beautiful and functional design, the Hexapae will make a lasting impression and will highlight any event. Hexapae—impressive!

35' OCTAPAE

The 35' Octapae creates the perfect hub for any event. The Octapae is a favorite for large gatherings. With the Octapae, no gathering will be average or typical.

15' x 20' Jubilee

JUBILEE FAMILY

20' x 30' Jubilee

30' x 30' Jubilee

30' x 40' Jubilee

Simple elegance, smooth curves with a timeless design are what make the Jubilee a perfect tent for weddings, corporate events, community outreach and picnics. The design of our optional Aero curtains can transform any Jubilee from a playful atmosphere to one of classic elegance.

3050 HEXAGEM

The 30' x 50' HexaGem is appropriately named because of its gem-like qualities and versatility. The center area measures 30' x 20' creating ample room for a dance floor or reception area. Walk-through partitions can be used to section off two areas for your guests to sit and relax.
